New to GO 4 Schools:
Data Manager
Introduction and set up

This course is suitable for Data Managers and Senior Leaders to attend.

TOVE LEARNING TRUST — Inspiring education that leads to outstanding outcomes

We believe that GO 4 Schools is an excellent product, enhancing data intelligence, staff engagement and the performance of schools at all levels, ensuring that all staff, students and parents work together to achieve the best outcomes. All secondary schools within the Trust use all modules on GO 4 Schools which has helped to establish consistency and visibility of information at Trust level.

This session will be hosted by Jo Hockton who has over 10 years experience as a Data Manager at Sponne School and Data Strategy Manager for the Tove Learning Trust and has been an expert user of all GO 4 School modules since 2014.

This course will cover a wide range of topics including:

- Setting up and using markbooks effectively
- Student attributes
- Explorers
- Subject Settings
- Feed rules
- Analysis tools for assessment data
- KPIs

The session will be a sharing of processes, and provides advice from an established user of GO 4 Schools as well as giving opportunities to discuss different set ups and approaches.

DATES AND TIMES:

- **THURSDAY 7TH DECEMBER 2023   10.00—12.00**

COSTS AND BOOKING DETAILS

£160 (first delegate), £80 (second delegate). All prices are subject to VAT.

Places are limited to a maximum of two delegates per school.

The session will be a maximum of 10 schools to enable the opportunity for attendees to discuss aspects of their use of GO 4 Schools.

Please complete the booking form to secure your place.

GO 4 SCHOOLS - HUB SCHOOL TRAINING EVENTS

Our training events are developed in partnership with our Hub schools. Each 'Hub' has a practitioner with a wealth of experience and knowledge of using GO 4 Schools and is happy to share their insights with other schools.

Current events offered by Tove Learning Trust include:

- New to Go: Data Manager Introduction and set up
- Seating Plans, homework and using data to inform teaching and learning
- Combined: Exam Results and Analysis & End/Start of Academic year processes
- Managing behaviour, detentions, attendance; parental engagement

See our website for more details: Engage – Hub school network – GO 4 Schools

Maximise your training:

All courses will be delivered using Google Meet. You will receive an email invite with a link from the trainer in the few days prior to the course.

All delegates will require at least a laptop with a microphone and camera, if possible we suggest access to two screens so you can follow the training and also access GO 4 Schools during the training.

Delegates will need to have **School manager** access in your GO 4 Schools system.
