KEEPING EVERYONE IN
THE PICTURE—24/7

GO 4 Schools CPD events
are developed with the
ethos of :

'Improving together'

We aim to extend your
knowledge and confidence
in school data, to support
a sustained
implementation and the
opportunity to share
practice across schools.

Our customers receive the
most relevant and up to
date information about a
range of modules and key
updates in education and
functionality.

Building and
strengthening our
response to schools'
requirements to ensure
we are supporting you
effectively.

Advice and training in all
key modules of GO 4
Schools is available
delivered by the Education
Services team.

Course Details:

- ⇒ Are you looking to get the most out of their data to help improve student outcomes?
- ⇒ Do you want to improve your skills at using data analysis tools in GO 4 Schools to enable Data Managers to support school improvement by identifying students needing help sooner, and to monitor the effectiveness of your interventions to ensure students are progressing?

If the answer to these questions is YES, then you need to attend our Analysing data training course specifically for Data Managers or Senior Leaders responsible for school data. This is an opportunity to share your vision and processes to improve the effectiveness of student data.

This training session will focus on:

- Creating and using the student attributes effectively
- Utilising subject/year explorers and charts
- Using explorers including managing reports generated
- Using the school postcard explorer and managing sharing information

Available sessions:

Tuesday 5th March - 9.15am - 11.15am

This course is specifically for:

Data Managers or Senior Leaders with responsibility for school data.

GO 4 Schools is a powerful, joined-up, easy-to-use, online system that allows your staff, students and parents to access the information they need – 24/7 – to work together to improve student outcomes.

School information

GO 4 Schools drives every aspect of our support for pupil attainment, attendance and behaviour. We use the full suite of modules to track pupil progress, identify barriers, intervene and monitor the impact of our intervention as well as communicating with pupils and their parents/carers.

We believe in the principle of collaboration, both within and beyond our local community. We are happy to share our journey with other schools whilst continuing to develop our own practice.
