## New School Leaders: GO 4 Schools Induction

**Costs: £250 per delegate**

### Course Details:

- ⇒ Are you new to SLT at your school and never used GO 4 Schools before?
- ⇒ Are you responsible for attainment and/or teaching and learning?
- ⇒ Do you want to ensure data is effectively embedded in your school?

If the answer to these questions is YES then you need to attend the GO 4 Schools induction training for new school leaders to ensure you understand the impact live data tracking can bring to school improvement.

The focus of this training session will be:

- Using student attributes to share information and analyse data
- Year group and subject statistics
- Use of data explorers for forensic analysis
- Triangulation of attainment, behaviour and attendance data
- Residuals and tracking functionality
- Discussion on markbooks and approaches to KS3 assessment

### Available sessions:

Thursday 20th September 9.30am—4.30pm

Thursday 9th May—9.30am—4.30pm

### This course is specifically for:

New members of SLT with no prior experience of GO 4 Schools.

GO 4 Schools is a powerful, joined-up, easy-to-use, online system that allows your staff, students and parents to access the information they need – 24/7 – to work together to improve student outcomes.

GO 4 Schools is unique in the way live current grades are calculated within the Markbook module to measure against school target data. A MIS feed into GO 4 Schools automatically picks up student demographic data e.g. pupil premium, SEN, etc. to enable further filtering of your data to identify key focus groups for intervention.

When linked to attendance and behaviour data this is a very powerful tool to identify and make strategic decisions for school improvement. GO 4 Schools’ holistic approach is designed to give you a pathway to get from where you are now to where you want to be. Our complete training offer supports your staff development and confidence in the effective use of school data.
