Exam Results Day:

Process & Analysis

This course is specifically for:

School managers and Data managers

"We believe in the principle of collaboration, both within and beyond our local community. We are happy to share our journey with other schools whilst continuing to develop our own practice."

TRAINERS:

This session will be hosted by Nicola Moorhouse, Data Manager and Super-User of GO 4 Schools. Nicola has extensive experience in managing data systems in the secondary sector, GO 4 Schools has been implemented school wide since June 2016.

TRAINING SESSION:

Oakwood High School use GO 4 Schools as their key tool for the analysis and tracking of student performance, in this session Nicola will go through the steps they use to prepare for Key stage 4 exam results day. Ensuring the data set up is accurate so analysis of results at all levels can be carried out effectively.

Step by step you will be taken through the set up of focus groups, KS2 Prior attainment, and your school settings. You will then go through the tools used for analysis and the narrative used by Oakwood High School by all leaders as part of the exam results post-mortem and forensic review.

There will be time to discuss and question key information and approaches used by other delegates during the session.
