

Homework and Seating Plans

This event is specifically for:

Data Managers, Middle or Senior Leaders with responsibility for school data.

“We believe in the principle of collaboration, both within and beyond our local community. We are happy to share our journey with other schools whilst continuing to develop our own practice.”

COURSE DETAILS

The course aims to equip you with the skills and understanding to effectively manage the set up of GO 4 Schools and importing key school data to ensure you are working with high quality validated data sets.

Key aspects covered:

- Create and manage seating plans including adding extra pupil information.
- Create room layouts and print view.
- Create homework tasks.
- Sharing information with parents/students.
- Linking homework to markbooks including linking to assessment columns.
- Updating homework tasks.

This session will be hosted by Nicola Moorhouse, Data Manager and Super-User of GO 4 Schools. Nicola has extensive experience in managing data systems in the secondary sector, GO 4 Schools has been implemented school wide since June 2016.

DATES AND TIMES

We are running courses as online sessions using Microsoft Teams until September 2021. All courses will be reviewed to comply to the most current guidance regarding COVID-19.

5 March 2021

10.00—12.00

COSTS AND BOOKING DETAILS

£100 (first delegate), £60 (second delegate). All prices are subject to VAT.

Places are limited to a maximum of two delegates per school.

The session will be a maximum of 10 schools to enable the opportunity for attendees to discuss aspects of their use of GO 4 Schools.
