GO 4 SCHOOLS TRAINING EVENTS

Our training events are developed with the ethos of 'Working together' — sharing knowledge and confidence in school data to ensure a 'best practice' approach and maximum value.

Current training offers include:

- End and start of academic year set up for Data managers
- Induction for new Data managers or those new to managing GO 4 Schools.
- Set up and use of markbooks
- Analysing data for Data manager, senior leadership and data teams
- Effective use of Behaviour and attendance modules
- Post-16 data analysis

Maximise your training:

All courses will be delivered using Microsoft Teams, we recommend that you use the App to access the training as the online version has some reduced functionality that may hinder the visibility of some aspects of the training session.

All delegates will require at least a laptop with a microphone and camera, if possible we suggest access to two screens so you can follow the training and also access GO 4 Schools during the training.

These courses are also available to book exclusively for your school and are suitable for all levels of leadership. Delegates will need to have **School Manager** access in your GO 4 Schools system.
