

School Leaders Analysing data for Welsh Schools

A training course specifically developed Leaders of data to review their strategy for data management and the quality assurance of the data for analysis. This will enable key information to support the Data management of assessment to improve the implementation of GO 4 Schools. Ensuring accurate data and using analysis tools to support your journey of strategic school improvement.

Course Details:

This course is set up to enable the School strategic data lead or the Data manager responsible for the daily administration of GO 4 Schools to review the set up of GO 4 Schools and consider the quality of the data for analysis by a range of stakeholders. Key points to discuss building knowledge of using our analysis tools to directly impact on student outcomes.

Key aspects covered:

- Student attributes— Use for data analysis based on your school context.
- Generating snapshots of reports to analyse progress over time
- Key performance measures and the tools for analysis.
- Curriculum overview and analysis tools for reviewing the quality of education impact.
- Subject statistics and in year tracking to support interventions and gaps in learning
- Effective use of the interactive ribbons for Year groups, subjects and key focus groups.
- Using Explorers for more detailed analysis and sharing with key leaders
- Using Charts for more forensic analysis

During the online course there is some time for delegates to discuss their approaches. The course content should allow for developing key action plans for change and sharing ideas of how you are using GO 4 Schools .

GO 4 SCHOOLS TRAINING EVENTS

Our training events are developed with the ethos of 'Working together' — sharing knowledge and confidence in school data to ensure a 'best practice' approach and maximum value.

Current training offers include:

- End and start of academic year set up for Data managers
- Induction for new Data managers or those new to managing GO 4 Schools.
- Set up and use of markbooks
- Analysing data for Data manager, senior leadership and data teams
- Effective use of Behaviour and attendance modules
- Post-16 data analysis

See our website for more details: www.go4schools/CPD

Maximise your training:

All courses will be delivered using Microsoft Teams, we recommend that you use the App to access the training as the online version has some reduced functionality that may hinder the visibility of some aspects of the training session.

All delegates will require at least a laptop with a microphone and camera, if possible we suggest access to two screens so you can follow the training and also access GO 4 Schools during the training.

The course is also available to book exclusively for your school and is suitable for all levels of leadership.

Delegates will need to have **School manager** access in your GO 4 Schools system.
