

New Data Manager

A course for Data managers who are new to the role of working in schools with no prior experience of educational data.

We will take you through education based terminologies and processes, building on this to develop your skills in using GO 4 Schools proactively in your role to support the school and staff.

COURSE DETAILS

The course aims to start with the basics to quickly develop your understanding of systems and access to DfE data to ensure you are equipped with the knowledge required for a data administration role in schools. Developing your skills and understanding to effectively manage the set up of GO 4 Schools.

Key aspects covered:

- Sources of data (where to look outside of GO 4 Schools for data and info)
- Key performance measures at KS4 used by the DfE (A8, P8, Ebacc)
- KS2 data used in secondary schools
- Subjects and Qualifications (QAN codes and grading schemes)
- Grade types in GO 4 Schools (target and progress grades)
- Uploading targets
- School grading schemes
- Introduction to markbooks (MBs are covered in detail in another course)
- Reports and snapshots
- Introduction to using explorers
- Introduction to student attributes

A system health check is completed for all attending schools with advice on your set up. Time will be given for delegates to discuss
