

## Preparing for OFSTED: The Quality of Education

A course for Senior leaders who wish to review the use of GO 4 Schools and prepare for inspection under the current framework. Discussion to ensure consistent practice and confidence is embedded at all levels of leadership and wider implications of evidence for school effectiveness.

### COURSE DETAILS

The course has been developed based on information provided by schools who have experienced an inspection under the new framework and includes advice and ideas about how their practice will be adapted in response to the findings.

Key areas covered during the session include:

- Preparation for inspection
- Understanding the 4 key areas of the OFSTED framework
- Using GO 4 Schools to evidence effective provision
- Wider applications of school data
- Setting up a narrative for 'Deep dives' into the curriculum
- Embedding all data and supporting dialogue with middle leaders.
- School improvement and the IDSR

Time will be given for delegates to discuss and share ideas of how they are using GO 4 Schools. We will also look at the wider aspects of tracking school data including careers, reading age scores, behaviour and attendance.

A system health check is completed for all attending schools with advice on your set up.
